### CHRISTIAN COUNTY COURT.

To Hon. G. H. Champlin, Judge:

We, the undersigned citizens and residents of Christian County, Kentucky, state that we are legal voters and land owners in the aforesaid county and state that we now and have for many years been legal voters in Bainbridge voting precinct number 23.

Your petitioners respectfully ask this honorable court to cause a change to be made in the boundary line between Bainbridge voting precinct number 23 and East School House voting precinct number 22 so that your petitioners will be placed in the East School voting precinct. Said boundary line, instead of following the Bark road from W. S. Hendersons to the Buttermilk Road, thence down the Buttermilk Road will run as follows: Beginning at a point in the Bark Road where the road leading from Hiser's store to the Bark Road intersects said Bark Road, running thence in a straight line in a north-easterly direction with the line passing on the east side of Otha Morgan's house to the forks of Sand Lick Creek thence down said Sand Lick Creek with its meanders to a point where it intersects the boundary line between Lantrip's voting precinct and Bainbridge voting precinct.

Your petitioners say that the reason for this application is that this change in said boundary line would place them and other voters residing in this locality in East House precinct which is much nearer and more convenient and more accessible than the Bainbridge polling place.

Your petitioners state that they have posted notices as prescribed by law, stating the course of said new line and giving notice of the time of hearing this petition.

Wherefore your petitioners pray that said change be made in the aforesaid boundary line, and this cause is respectfully submitted to this honorable court.

## BULLET WOUND PROVES FATAL

PETE RENSHAW, SHOT BY R. M. ISOM, SUNDAY, DIED YESTERDAY MORNING.

Pete Renshaw, who was shot by R. M. Isom Sunday afternoon at 4 o'clock, in the Owls Club Room, died at the Jennie Stuart Hospital in the early hours of yesterday morning. Following the shooting, Renshaw was taken to the hospital and an operation was performed. The bullet had entered his bowels, making five perforations in his intestines. His condition was regarded as hopeless from the first and he lingered a little more than two days. Before he died he made a statement saying the shooting was unprovoked. The grand jury had the matter before it and only waiting the outcome of Renshaw's wound. His death changed the offense to murder and the bill will be brought in to that effect. Isom was under a bond of \$1,000 and yesterday was at his home near Bluff Spring. His bond will of course be increased to fit the higher charge.

## PETITION TO CHANGE BOUNDARY OF PRECINCT NUMBER 23

In the matter of changing the boundary line, between Bainbridge voting precinct, No. 23, and east school-house voting precinct, No. 22.

This cause coming on for hearing, upon the petition of W. J. Ladd and others, asking that a change be made in the boundary line of Bainbridge voting precinct No. 23, and East Schoolhouse voting precinct, No. 22; and it appearing to the Court that due notice has been given of said proposed change, and it further appearing to the Court that it will be more convenient for the voters residing in the territory affected by the change to vote in said East Schoolhouse voting precinct; and it further appearing that it is for the public good to make said change, it is therefore ordered that said boundary line between the aforesaid precincts, be changed as follows:

Beginning at a point in the Bark road, where the road leading from Hiser's store to the Bark road intersects said Bark road, running thence in a straight line in a north-easterly direction with the lane, passing on the east side of Otha Morgan's house, to the forks of Sand Lick Creek with its meanders to the point where said intersects the boundary line between Bainbridge voting precinct and Lantrip's voting precinct, instead of following the Bark road from the point of intersection with the road leading from Hiser's store to said Bark road to the Buttermilk road; thence down the Buttermilk road to where said road intersects the south boundary line of Lantrip's voting precinct.

And it is ordered by the Court that the voters affected by said change, to-wit: W. J. Ladd, Albert Clark, A. J. Clark, T. J. Hamilton, H. M. Petch and others residing in the territory, between the new line and the old, be, and they are hereby transferred to East Schoolhouse voting precinct No. 22, and will vote therein at the next coming election, and at all elections thereafter. The County Court Clerk of Christian County will make advertisement of said change as is required by law.

## VAGRANTS ALL MUST WORK

CHIEF ROPER HAS ORGANIZED POLICE DEPARTMENT AND COUNTY OFFICIALS BUSY

The new vagrancy, or labor, law went into effect Tuesday and, if the officials are to be believed, all idlers, bums, loafers, gamblers, saloon "flies", wealthy sports and others, should begin to roll up their sleeves, toughen their hands, and prepare to work. Yes, do real work, and work that amounts to something. Somebody has worked out the provisions of the new law and succinctly stated them as follows as published in yesterday's Courier-Journal:

ALL MUST WORK.  
From 16 to 60 years of age.  
At least thirty-six hours each week.

IT IS NO DEFENSE.  
That accused has money property or income sufficient to support himself and dependents.

That he is unable to get work.

THE LAW IS VIOLATED.  
When the accused is idle a week or portion thereof.

A RESIDENT UNDER THE LAW.  
Is any male person found in the State.

A VAGRANT IS.  
Anyone who habitually idles anywhere.

Anyone habitually intoxicated.  
Any drug fiend.  
A professional gambler.

DR. BEAZLEY  
---SPECIALIST---  
Eye, Ear, Nose and Throat

Any able-bodied person supported in whole or in part by any woman or child.

THE PENALTY IS.  
From \$20 to \$100 fine.

Sixty days' work on public roads or streets or any public work being done in county.

One-half of pay goes to dependents.  
FAILURE TO MAKE ARREST.  
Makes officers guilty of non-performance of duty and subject to removal from office.

Chief Roper is going to see that the law is enforced in this city so far as his department is concerned. But it is the duty of every citizen to report to the authorities anyone who violates this law. The police officers and sheriffs will not attempt to explain and apply the law. The courts do this.

### AT THE REX TO-DAY.

The story of "M'Liss" is a charming tale of California in the golden days of '49. A wild, untutored girl, the daughter of a dissipated father, M'Liss is a tender, courageous girl who knows how to take care of herself. When a handsome school teacher enters Red Gulch, M'Liss goes to him to "be learned" and Cupid snares them both. When M'Liss' father is murdered and suspicion rests upon the school teacher, she saves him from an avenging mob and the real assassin being found, M'Liss and the school teacher are made happy.
